

To strengthen its organization, Carlo Gavazzi Controls is looking for the following position:

## **International Product Sales Support**

**Ref. IPSS\_IT\_2302**

The candidate, aged between 20 and 35, will be part of the technical sales support team at Carlo Gavazzi Controls based in Belluno.

There will initially be 3 months of on-site training in Belluno and subsequently a mix of 3 days in the office and 2 days remotely. Permanent contract.

### **Tasks**

- Provide technical sales support to the sales organization through complete and reliable information on the technical and application characteristics of the relevant products
- Evaluate and clearly understand the application requests and proposals for which the sales network requires support
- Interact with the R&D team for feasibility checks, modifications, timing and anything else related to requests for customized products and/or solutions
- Support the sales organization with technical training on the relevant products (training can be in Italian or English)
- Take actions in field in Italy and abroad for analysis/resolution of technical/application problems

### **Education, competences and attitudes**

- Good knowledge of Office applications (Word, Excel, PowerPoint)
- Knowledge of the main communication protocols Modbus RTU/TCP, M-Bus, etc.
- Ability to work in team and collaborate with colleagues by sharing problems, actions and solutions
- Excellent communication and interpersonal skills
  
- **Education:** Diploma or degree in technical disciplines (electrotechnics/electronics and IT basics)
- **Language:** Good/excellent knowledge of written and spoken English
- **Character Traits:** Proactive and service oriented mindset
- **Workplace:** Based in Belluno - Italy

Please send your CV to [oscar.bianchet@gavazziacbu.it](mailto:oscar.bianchet@gavazziacbu.it) indicating the reference of the position you are interested in (**Ref. IPSS\_IT\_2302**).

Carlo Gavazzi Controls is a competence center of the Carlo Gavazzi group and is involved in the design and manufacture of solutions for energy monitoring, fieldbus, monitoring relays and timers for the global building and industrial automation markets.

Carlo Gavazzi products are marketed across Europe, America, and Asia-Pacific through a network of 22 own sales companies and around 60 independent national distributors.
