

To strengthen its organization, Carlo Gavazzi Ltd in Malta is looking for the following position:

International Product Specialist - Soft starters

Ref. IPS_SS_MT_2303

We are looking for a motivated individual to join our team as an International Product Specialist. The role requires someone who can balance technical knowledge with commercial skills. He/she will report to the International Product Manager (IPM). If you are willing to learn and are willing to gain international exposure, then you might just be the person we are looking for.

Responsibilities

- Support the International Product Manager in executing the Product Development Roadmap
- Define product specifications to meet customer/market needs
- Co-operate with the R&D team during the definition of product requirements
- Coordinate product development and implementation activities with other departments of the organisation
- Collaborate with the Marketing team on advertising and promotional programs
- Educate and assist our global Sales companies with a focus on the technical aspects of the product and the intended market

Skills and Assets

- A recognised qualification in Electrical or Electronics Engineering
- Fluent in spoken and written English
- Available to travel worldwide (mainly EU, Americas, APAC)
- Highly motivated, results driven and willing to go the extra mile
- Team player, shows initiative and works well under pressure
- Present yourself at ease in front of commercial and technical audience
- Knowledge of C# would be considered an asset
- Workplace based in Zejtun - Malta

Please send an email with your detailed CV to hr_manager@carlogavazzi.com.mt indicating the reference of the position you are interested (**Ref. IPS_SS_MT_2303**).

All applications will be kept in the strictest confidence.

Carlo Gavazzi is an international group active in designing, manufacturing, and marketing electronic equipment. Automation Components is the core business operated by Carlo Gavazzi Group.

Carlo Gavazzi products are marketed across Europe, America, and Asia-Pacific through a network of 22 own sales companies and around 60 independent national distributors.
