

To strengthen its organization, Carlo Gavazzi GmbH Austria is looking for the following position:

## **Product Sales Support - Wien**

**Ref. PSS\_AT\_2305**

### **Responsibilities**

- Technical and commercial support to customers
- Conducting contract/price negotiations
- Project development and implementation of customer-specific solutions
- Order handling and processing
- Active cooperation with the regional sales department

### **Education, skills and attitudes**

- Completed studies or training (HTL, FH) in Electrical engineering, mechatronics or automation
- Experience in dealing with customers and project management
- Good knowledge of spoken and written English

### **What we offer**

- An interesting and varied area of responsibility in an economically stable international company
- Flat hierarchies and short decision-making processes
- Open and team-oriented corporate culture
- Comprehensive product training courses as part of your induction
- A friendly team of colleagues and respectful cooperation
- Flexible working hours with the option to work from home
- Workplace based in Wien - Austria
  
- Career opportunity for a committed personality with a strong customer-oriented and entrepreneurial mindset
- Following the Austrian agreement to the Equal Treatment Act, we pay the minimum salary for this position (full-time) to be stated as a basis for negotiation: EUR 2.500 gross per month, also considering your qualifications and professional experience

Please send your CV to [karriere@carlogavazzi.at](mailto:karriere@carlogavazzi.at) indicating the reference of the position you are interested in (**Ref. PSS\_AT\_2305**).

Carlo Gavazzi is an international group active in designing, manufacturing, and marketing electronic equipment. Automation Components is the core business operated by Carlo Gavazzi Group.

Carlo Gavazzi products are marketed across Europe, America, and Asia-Pacific through a network of 22 own sales companies and around 60 independent national distributors.
