

We are seeking a highly analytical and detail-oriented Reports and Power BI Specialist to join our team. The successful candidate will be responsible for designing, developing, and implementing reporting solutions, from our ERP system (IFS), that provide valuable insights and drive informed decision-making across the organization. The ideal candidate will have extensive experience in developing reports and dashboards using Power BI and other reporting tools.

Reporting Specialist

Ref. RS_IT_2306

Responsibilities

- Design and develop reports, dashboards, and visualizations using Power BI and other reporting tools
- Collaborate with business stakeholders to identify reporting requirements and translate them into technical solutions
- Optimize existing reports and dashboards for improved performance and usability
- Develop and maintain data models, data pipelines, and ETL processes to support reporting requirements
- Ensure data accuracy and consistency
- Troubleshoot issues with reports and dashboards and provide timely resolutions
- Stay current with the latest reporting technologies and best practices to continually improve reporting solutions

Education, skills and attitudes

- Bachelor's degree in computer science, Information Systems, or related field
- Minimum of 3 years of experience in developing reports and dashboards using Power BI and other reporting tools
- Strong knowledge of Microsoft SQL Server and Oracle DB
- Experience in data modelling and ETL processes with Microsoft SQL Server Management studio and Visual Studio
- Strong analytical and problem-solving skills
- Excellent written and verbal communication skills
- Good knowledge of spoken and written English
- Ability to work independently and as part of a team
- Knowledge of our ERP system, IFS, is highly valued
- Knowledge of statistical models
- Workplace based in Lainate (MI) - Italy

If you are passionate about leveraging data to drive business success and thrive in a dynamic and challenging role, we invite you to apply sending your CV to risorseumane@gavazziacbu.it indicating **Ref. RS_IT_2306**.

Carlo Gavazzi is an international group active in designing, manufacturing, and marketing electronic equipment. Automation Components is the core business operated by Carlo Gavazzi Group.
