

Accountant

Ref. FIN_US_2501

Location: Buffalo Grove, IL - USA

About us

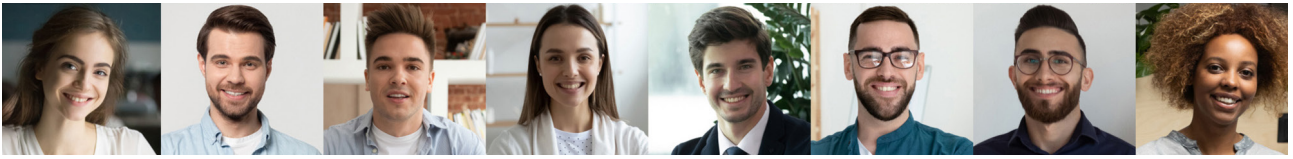

Carlo Gavazzi is a recognized global leader specializing in the design, manufacturing, and marketing of products and networked solutions for the Industrial Automation and Building Automation industries. It includes multiple technologies for connected Sensors, Relays and Electrical Metering.

In a nutshell

Ready to take on a new challenge? As an **Accountant**, you'll report directly to the CFO – The Americas. You'll play a key role in being responsible for financial related activities for our manufacturing facility in Tijuana, Mexico.

What does this mean?

- Prepare consolidated internal and external financial statements by gathering and analyzing financial data.
- Maintain and balance an automated consolidation system by inputting data.
- Analyze information and develop reports using spreadsheets.
- Prepare general ledger entries, maintain records, and reconcile accounts.
- Process payments by accruing expenses.
- Develop and improve accounting procedures by reviewing current practices.
- Answer accounting and financial questions by researching and interpreting data.
- Safeguard company values by maintaining confidentiality.
- Stay updated on job knowledge by participating in educational opportunities.
- Contribute to the success of the team by completing additional related tasks as needed.

Requirements

Are you the right fit? Check out these key qualifications:

- A self-starter who is comfortable using analytics and independent decision-making.
- Strong analytical abilities with the ability to work well under pressure in a fast-paced environment.
- Excellent time management, organizational skills, and high attention to detail.
- Ability to multi-task and prioritize responsibilities.
- A sense of ownership and pride in the work you do.
- Proficient in Microsoft Office Suite (Excel, Word, etc.).
- Education & Experience:
 - Associate's degree in accounting (Bachelor's preferred).
 - At least 2 years of experience in general accounting.
 - Manufacturing/cost accounting experience is a plus.
- **Bilingual in Spanish and English is required.**
- Experience with ERP systems such as IFS, SAP, SAGE, or Oracle is a plus.

Why join our Team?

- We offer an entrepreneurial environment where you'll have the opportunity to take ownership and be accountable.
- Join a team of enthusiastic and passionate professionals.
- Work on marketing and selling unique, cutting-edge products.
- We provide competitive benefits, including medical insurance, 401(k), vision, and dental.
