

Area Sales Manager - Québec

Ref. ASM_QUE_CAN_2411

Location: Mississauga, ON - Canada

About the job

Do you only strive for customer excellence and do you want to grow your career in step with our company? Welcome to Carlo Gavazzi, where we are designing, manufacturing and marketing Industrial Automation Components . Our Group's products (sensors, monitoring relays, timers, energy management systems, solid state-relays, safety devices, fieldbus systems) provide automation solutions for the global markets of industrial and building automation across Europe, the Americas and Asia-Pacific through a network of 23 own sales companies and through more than 60 independent national distributors.

Carlo Gavazzi in Canada is currently looking a talented and passionate **Area Sales Manager (ASM)**, responsible for Québec area managing and growing product sales including current and future innovations from our 3 product lines - Sensors, Switches and Controls as they are introduced to our markets.

Reporting to the National Sales Manager, Canada as the ASM, you will create a strategy and market development plan for our products in your local territory. While working with the entire Canadian team to accelerate growth, you will execute on opportunities, identify trends, and actively participate in creating a roadmap that will assure the continued growth of products in your market.

Key tasks and responsibilities

- Develop successful sales strategies according to the corporate "Strategic Sales Plan".
- Define quarterly and long-term business opportunities to achieve your targeted growth.
- Evaluate the local markets and business opportunities within your territory to maximize sales.
- Analyse industry and market trends plus activities of the competition & new competitive products.
- Help create strategies for improving digital marketing and selling of our products within Canada.
- Participate where required in key trade shows, market organizations, and conferences to obtain sales leads and investigate the possibilities for future sales growth.
- You are responsible for providing International Product Management with regular updates and reports on key customer activities and performance (including wins and losses of large potential business).
- Enter all data in the CRM and monthly business report.

Requirements and qualifications

Sounds great! Am I the **Area Sales Manager** you are looking for? Let's see:

- You have good Sales and Business Development skills
- You have solid and successful experience in the industrial or building automation market
- You have a good level of effective communication and negotiation skills
- You have ability to build and maintain customer relationships
- You have a proved knowledge of electronic control components or automation solutions
