

Press Release

CFP AND EPD CERTIFICATIONS FOR OUR SENSORS PRODUCTION SITE IN KAUNAS – LITHUANIA

In compliance to ESG regulations, the implementation process for the certification of the Tool for the EPD (Environmental Product Declaration) has been completed.

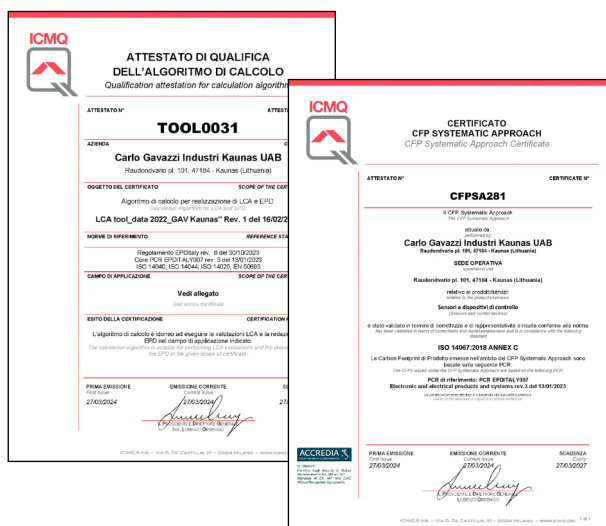

Lainate, May 2024 - We are proud to announce that our production plant in Kaunas, Lithuania, has successfully obtained **ISO 14067:2008** certification for calculating our products' carbon footprint.

In addition, we have obtained certification for the TOOL0031 algorithm in accordance with **ISO 14040**, **ISO 14044** and **ISO 14025** for conducting Life Cycle Assessments (LCAs) and editing Environmental Product Declarations (EPDs).

This is a significant milestone in our group-wide sustainability journey, and we are committed to continuous improvement in this area.

Stay tuned for more exciting developments as we continue our march to environmental responsibility!

These certificates are available on the website under the section [Media Center/Download/ISO certifications](#)
